

Welfare Units

Welfare units offer flexibility and security to any building project.

Our welfare units incorporate a canteen and seating area including a kettle, microwave and sink with hot water, drying room and chemical toilet with an integral 6 kVA generator. There is an optional replenishment of water and diesel fuel.

Welfare units are towed easily to site and are suitable to be moved around a developing project.

These units do not require HIAB delivery, therefore saving on transportation costs and can be delivered with a smaller vehicle to aid restricted access. This anti-vandal, secure unit uses hydraulics to conceal the wheels to prevent theft.

As with all of our hire items, these welfare units are HSE compliant and offer first class welfare facilities.

The South's Leading Welfare and Sanitation Provider

"Great service from initial phone call to pick-up at the end. Well done."

Andrew, Construction Customer

Eco Smart technology to reduce energy use & running costs

- 7m x 2.4m
- Up to 16 people on site
- Free weekly service
- Canteen area with kettle & microwave
- Separate office
- Drying Room
- Chemical toilet

Wheeled Cabins

GRP, Anti Vandal and Kneel Down

Site Equip have the perfect solution for your temporary building requirements with a variety of wheeled cabins for hire. All the benefits of a permanent structure but with the economies for the short term.

These units are easily adaptable and can be fitted as canteens, offices or storage facilities. The anti vandal and kneel down cabins are great for keeping items secure – at the end of the working shift all the tools and equipment can be securely locked inside the unit.

Wheeled cabins are ideal for sites with restricted access as they can be delivered with a small vehicle rather than a large HIAB.

The South's Leading Welfare and Sanitation Provider

"Very good as always, toilets are spotless, delivery on time and paperwork is efficient!"

Ady, Property Developer

Suitable for tight spaces

GRP Cabin
12', 16' & 18'

- 240v power required
- Sink with hot water
- Can be used as an office, canteen or drying room

Static Units

Anti Vandal

Our range of static units offer security and reliability on site.

These units require HIAB delivery and will need adequate access for this.

Static units provide temporary on site accommodation for short and long term projects.

Static units have the option to be double stacked with stairs.

The South's Leading Welfare and Sanitation Provider

"Site Equip are friendly, reliable and things happen when they say they will, hire items are always clean. We have a long standing working relationship. We are treated well by the staff and made to feel that we, the client, are important, we would hire time and time again!"

Simon, Roofing Company
