Site Equip

Welcome...

We are very proud to be celebrating our 30th year of Site Event. We have grown from our first three toilets to a large hire fleet that includes a range of toilets, accommodation, fencing, trackway and a fleet of tanker vehicles. As a family business, we pride ourselves on providing a personal and professional service, ensuring you have a smooth hire process from your first enquiry to the collection of the equipment. We have been able to achieve this through our passion, expertise and continuous innovation, working with our clients to produce resolutions to meet their needs. This approach has led to many returning clients.

This new brochure is the culmination of this experience and we look forward to working with you.

Kind Regards,

Sonia, Geoff and Amy Gilbert

"One satisfied customer, 50 grateful attendees! Having failed to realise that the quotation I received was not the confirmation of the order, I phoned just before 5.00 pm on a Friday afternoon for a Saturday event. No panic, confirmed, paid by card over phone, delivered 10.30 pm by Paddock Wood Depot Manager, slept well as no concerns about whether we had Toilets for the morning. Many thanks to Charlie & Peter, for sorting out my self induced problem. Very satisfied and next event already confirmed."

The South's Leading Welfare and Sanitation Provider

"Really great experience with Site Event. The driver kept in communication for the delivery and drop off, and was so polite and understanding. Site Event were very good at keeping in touch, and were able to make clear arrangements for exact drop off and pickup times, which were crucial for our event. Great product at a great price, with excellent communication throughout the process."

"We just wanted to thank you and your team for supplying such funky - and more importantly clean, functional toilets to our wedding. We received some lovely comments on how the toilet unit looked and fitted in with my whole theme -and didn't look like a toilet unit at all which was exactly what I was after! Thank you also for being so helpful during the whole process it was a pleasure to deal with you all including the driver. I will highly recommend you to anyone in need of your services."
