

## Job Description

### Depot Manager

Site Equip encompasses Site Event, Site Waste, and Site Build, the South's leading supplier of portable welfare and sanitation facilities operating within event and construction industries, supplying to major contractors including; London Fire Brigade, the Ministry of Defence and many major events.

Through our investment in people, we are able to expand and develop our innovative and forward-thinking company. We have a new opening for a Depot Manager. The position is based at our Lasham, Hampshire Depot.

### The Role

We are seeking a Depot Manager to lead the depot operations team to consistently deliver a safe and reliable service to both the construction and events industries.

You will be responsible for the day-to-day running and leading the expansion of the depot to ensure that the depot sales levels, costings, and controlled spending levels are achieved to enable the operating teams to meet customer demand, hit productivity targets and achieve profit budgets.

Supported by a team of Administration, Sales, and Operations teams this role requires a leader to steer the team on a successful path as well as having a hands-on approach.

### Experience and Expertise

The successful candidate for the Depot Manager will have the following skills and experiences:

- Have a hire, logistics, or operational background, ideally managing multiple depots
- Commercial acumen and ability to understand the operational impact
- Communication skills to provide rounded opinions and clear recommendations
- Hands-on and proactive attitude to pursue and complete tasks
- Pro-active, lead and motivate a team
- Strong computer skills including; MS Office, apps and hire software
- O Licence holder (not essential but preferred)
- CPC national or international qualified

You may not have experience in every aspect of the role before, but that is ok, you will receive ongoing support and development that will provide you with the skills and knowledge required for a successful career, all we ask for is a proactive motivated attitude, high attention to detail and keen to share your ideas to make the role a success.

### Culture

Site Equip is innovative, fast-growing, and award-winning, constantly pushing boundaries and driving things forward. We believe everything is possible and always wants to improve.

Our culture is one where people are relaxed, enjoy themselves, have the opportunity to exceed and excel, are challenged, encouraged to break boundaries, identify the new and be part of a team delivering damn good work. We're very passionate about what we do. Our commitment and drive are unerring.

If you're ready for something new, different, to push boundaries where you can be a part of an exciting journey of a growing and thriving business, then it's likely this role and our culture is a fit for you.

We want like-minded people to be part of, contribute to, and rewarded for their involvement in the success of Site Equip.
