

# SITE EQUIP

Supplying Welfare and  
Sanitation Since 1988

# Welcome

Welcome to Site Equip, home of the South's Welfare and Sanitation Requirements.

## The South's Leading Welfare and Sanitation Provider

"Can I just say thank you for the prompt delivery of the groundhog unit received this morning to our job at a school, and also for the quality. Apparently it's a nearly new one which is much appreciated!"

Robert, Construction Company

## Welcome...

We are very proud to be celebrating our 30th year of Site Equip. We have grown from our first three toilets to a large hire fleet that includes a range of toilets, accommodation, fencing, trackway and a fleet of tanker vehicles. As a family business, we pride ourselves on providing a personal and professional service, ensuring you have a smooth hire process from your first enquiry to the collection of the equipment. We have been able to achieve this through our passion, expertise and continual innovation, working with our clients to produce resolutions to meet their needs. This approach has led to many returning clients.

This new brochure is the culmination of this experience and we look forward to working with you.

Kind Regards,

Sonia, Geoff and Amy Gilbert

## The South's Leading Welfare and Sanitation Provider

"We have been using Site Equip for years and are very happy with the service they provide. The office staff are extremely helpful, accommodating when we have tight timescales and efficient. We are very happy with our Site Equip experience and would recommend them to others and will certainly continue to use them as they offer an excellent service which is good value for money."

# Toilet Blocks

## Wheeled

We can offer wheeled and static toilet blocks on long term hire.

Wheeled toilet blocks allow sanitation facilities to sites with restricted access, using smaller vehicles. The toilet blocks have an integrated waste tank, for those sites without mains facilities. Alternatively, they can be connected to mains facilities where possible.

### The South's Leading Welfare and Sanitation Provider

"The office are excellent all the time, products and service are good and would definitely recommend to friends and family."

Mohamed, Construction Company

Suitable for sites with tight access & no mains facilities

1+1

- 2 cubicles with separate entrances
- Available as mains connected or recirculating with integrated waste tank
- Waste disposal available
- Requires 16amp 240v power & water supply

2+1

- 2 female cubicles & 1 male cubicle & 2 urinals
- Available as mains connected or recirculating with integrated waste tank
- Waste disposal available
- Requires 16amp 240v power & water supply

3+2

- 3 female cubicles & 2 male cubicle & 2 urinals
- Available as mains connected or recirculating with integrated waste tank
- Waste disposal available
- Requires 16amp 240v power & water supply

# Toilet Blocks

## Static

Static toilet blocks are delivered with a HIAB lorry, which requires large access. The toilet blocks can be connected directly to mains sewage, power and water point. Alternatively, if there is no mains services available, waste tanks and IBCs can be supplied, refilled and emptied on a weekly or ad hoc basis.

### The South's Leading Welfare and Sanitation Provider

"Overall very pleased with the service, good service as always, delivery and collection on time, the drivers are always helpful, products are spotless and the office are polite, quick and helpful!"

Keith, Building Contractor

We can supply waste tanks & ad hoc services

### 1+1

- 2 cubicles with separate entrances
- Can be connected to mains supply or waste tank
- Liquid waste disposal available
- Requires 16amp 240v power & water supply

### 1+2

- 2 male cubicles & 2 urinals & 1 female toilet
- Can be connected to mains supply or waste tank
- Liquid waste disposal available
- Requires 16amp 240v power & water supply

### 1+3

- 3 male cubicles & 3 urinals & 1 female toilet
- Can be connected to mains supply or waste tank
- Liquid waste disposal available
- Requires 16amp 240v power & water supply

www.Site-Equip.co.uk | 0800 371 994 | Hire@Site-Equip.co.uk

# Liquid Waste Disposal

From a single toilet to a cesspit or septic tank, our tankers can dispose of up to 4,000 gallons at one time.

Along with waste disposal, we can provide 300 and 500 gallon waste tanks. We can empty these on a weekly, fortnightly or ad hoc basis.

## The South's Leading Welfare and Sanitation Provider

"There is always a quick response to enquiry, quick booking and next day delivery - couldn't have been a more smooth process. Next day delivery is excellent and the site toilet is well maintained. I would definitely recommend and hire from Site Equip again."

Chris, Construction Company

Septic Tanks

Cesspits

Water Refills

Toilet Blocks

And More!

Servicing available weekly or ad hoc

## Liquid Waste Disposal

- 30 gallons to 4,000 gallons
- Weekly or ad hoc removal basis
- Fast, well equipped vacuum tanker fleet
- Can dispose of liquid waste from a singular toilet to toilet blocks, cesspit, septic tanks & more
- Large water refills

www.Site-Equip.co.uk | 0800 371 994 | Hire@Site-Equip.co.uk

# Waste Tanks and Water Refills

Waste tanks and IBCs can be hired with a weekly or ad hoc service. Our waste tanks and IBCs are perfect for a site without mains sewage access and offer a temporary solution to liquid waste disposal on site.

We also offer large water refills which can also be completed on a weekly or ad hoc basis, please note this is not drinking water.

## The South's Leading Welfare and Sanitation Provider

"We have our own loo you empty. I would always recommend you for you good, quick, friendly service. Thank you!"

Sarah, Construction Customer

Available weekly or ad hoc

### Large Water Refills

- Available up to 400 gallons
- Fast & efficient service
- Not drinking water
- Weekly or ad hoc refills

### Waste Tanks

- Available in 300 and 500 gallons
- Light & easy to transport
- Long lasting, durable plastic
- Servicing available on a weekly or ad hoc basis
- Numerous waste tanks can be connected together to provide greater capacity

### IBCs

- Available in 1,000 litres
- Fresh water (not drinking water) & waste available
- Long lasting, durable plastic
- Servicing available on a weekly or ad hoc basis

# Welfare Units

Welfare units offer flexibility and security to any building project.

Our welfare units incorporate a canteen and seating area including a kettle, microwave and sink with hot water, drying room and chemical toilet with an integral 6 kVA generator. There is an optional replenishment of water and diesel fuel.

Welfare units are towed easily to site and are suitable to be moved around a developing project. These units do not require HIAB delivery, therefore saving on transportation costs and can be delivered with a smaller vehicle to aid restricted access. This anti-vandal, secure unit uses hydraulics to conceal the wheels to prevent theft.

As with all of our hire items, these welfare units are HSE compliant and offer first class welfare facilities.

## The South's Leading Welfare and Sanitation Provider

"Great service from initial phone call to pick-up at the end. Well done."

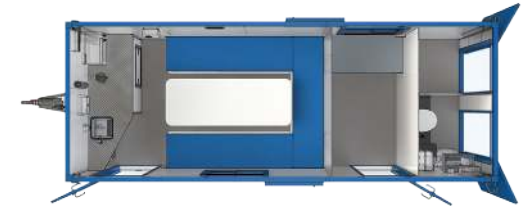

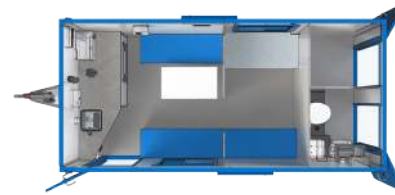

Andrew, Construction Customer

Eco Smart technology to reduce energy use & running costs

12'

16'

20'

- 3.6m x 2.4m
- Up to 7 people on site
- Free weekly service
- Canteen area with kettle & microwave
- Drying Room
- Chemical toilet

- 5.4m x 2.4m
- Up to 10 people on site
- Free weekly service
- Canteen area with kettle & microwave
- Separate office
- Drying Room
- Chemical toilet

- 7m x 2.4m
- Up to 16 people on site
- Free weekly service
- Canteen area with kettle & microwave
- Separate office
- Drying Room
- Chemical toilet

# Wheeled Cabins

## GRP, Anti Vandal and Kneel Down

Site Equip have the perfect solution for your temporary building requirements with a variety of wheeled cabins for hire. All the benefits of a permanent structure but with the economies for the short term.

These units are easily adaptable and can be fitted as canteens, offices or storage facilities. The anti vandal and kneel down cabins are great for keeping items secure – at the end of the working shift all the tools and equipment can be securely locked inside the unit.

Wheeled cabins are ideal for sites with restricted access as they can be delivered with a small vehicle rather than a large HIAB.

### The South's Leading Welfare and Sanitation Provider

"Very good as always, toilets are spotless, delivery on time and paperwork is efficient!"

Ady, Property Developer

Suitable for tight spaces

**GRP Cabin**  
12', 16' & 18'

- 240v power required
- Sink with hot water
- Can be used as an office, canteen or drying room

Highest security lowering the unit to the ground

**Anti Vandal Cabin**  
12' & 16'

- Anti vandal technology
- 240v power required
- Sink with hot water
- Can be used as an office, canteen or drying room

**Kneel Down Cabin**  
12' & 16'

- Units can be lowered to the ground using a handheld drill
- 240v power required
- Sink with hot water
- Can be used as an office, canteen or drying room

# Static Units

## Anti Vandal

Our range of static units offer security and reliability on site.

These units require HIAB delivery and will need adequate access for this.

Static units provide temporary on site accommodation for short and long term projects.

Static units have the option to be double stacked with stairs.

## The South's Leading Welfare and Sanitation Provider

"Site Equip are friendly, reliable and things happen when they say they will, hire items are always clean. We have a long standing working relationship. We are treated well by the staff and made to feel that we, the client, are important, we would hire time and time again!"

Simon, Roofing Company

- Option for double stacking with stairs
- Available in 10' x 8' & 20' x 8'
- Includes lights, heaters & electricity sockets.
- Different combinations available to suit every need
- Furniture optional
- Clear access required for HIAB delivery
- 240v 16amp power required

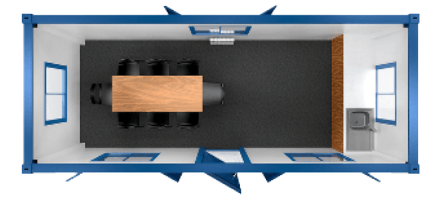

Double Stacked Containers

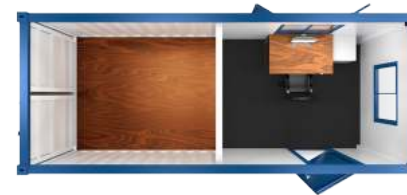

## Site Accommodation

Office

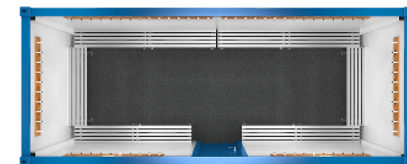

Canteen

Office/Store  
50/50

Canteen/Office  
60/40

Drying Room

Storage Container

# Fencing

Site Equip's temporary fencing is cost effective and secure. Anti climb security fencing is a great way to secure restricted areas on building and construction sites.

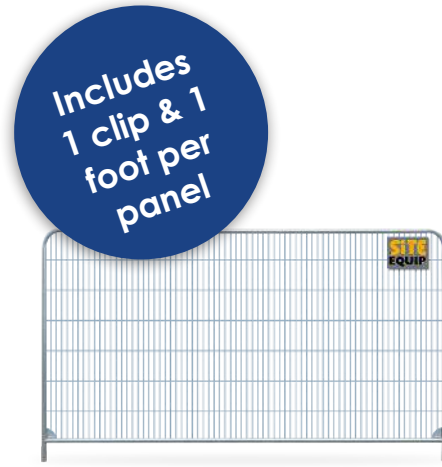

Our pedestrian safety avalon barriers can be used to prevent access to areas, using it's interlocking grooves the avalon barrier can be joined together without sliding apart or using any extra parts.

Our acoustic sound barriers can be attached to heras fencing to create a reduction in construction noise.

## The South's Leading Welfare and Sanitation Provider

"We hired heras fencing, it was delivered on time with a polite & helpful driver. Site Equip deliver a very good service and communication, would hire again."

Kevin, Roofing Company

### Heras Fencing

- 3.5m x 2m
- Anti Climb
- One panel, one clip and one foot included in price
- Fencing stabilisers, extra feet & clips can be hired
- Vehicle & pedestrian gates available
- Pedestrian barriers also available

### Avalon Barriers

- 2m x 1m including feet
- 'No clip' interlocking design
- Easy to stack
- Complies to chapter 8 regulations

### Acoustic Sound Barriers

- 1.2m x 2m
- Reduce up to 30dB noise
- Effectively reduces noise from construction sites
- Quick & easy to install
- 3 mats per panel required

Next day delivery available

# Additional Items

Site Equip can also provide these additional items to help your site.

Our heavy duty trackway can support loads up to 80 tonnes which can be used for temporary roadways and work areas.

We can deliver our 20 litre fuel boxes onto site, this replenishment can be ad hoc or on a weekly basis.

Unique to Site Equip, our lifting frames allow portable loos to be placed into trickier locations.

**The South's Leading Welfare and Sanitation Provider**

"The girls in the office are always happy, the product and service is good, would recommend to family and friends!"

**Marcus, Landscaping Company**

**Fuel Box**

- Sealed 20 litre red diesel fuel box
- Can be delivered to site
- Weekly or ad hoc replenishment

**Red diesel boxes reduce diesel fuel contamination**

**Trackway**

- 2.4m x 1.2m
- Supports up to 80 tonnes
- Incredibly tough & flexible
- Require a forklift on site for unloading
- Each EuroMat® weighs 35kg

**Unique to Site Equip**

**Lifting Frame**

- Unique to Site Equip
- Tensile Strength tested & comes with a lifting certificate
- Can secure portable loos onto trickier locations such as multistorey buildings, tunnels or workboats
