

URINAL HIRE

8 Bay Modular Urinal

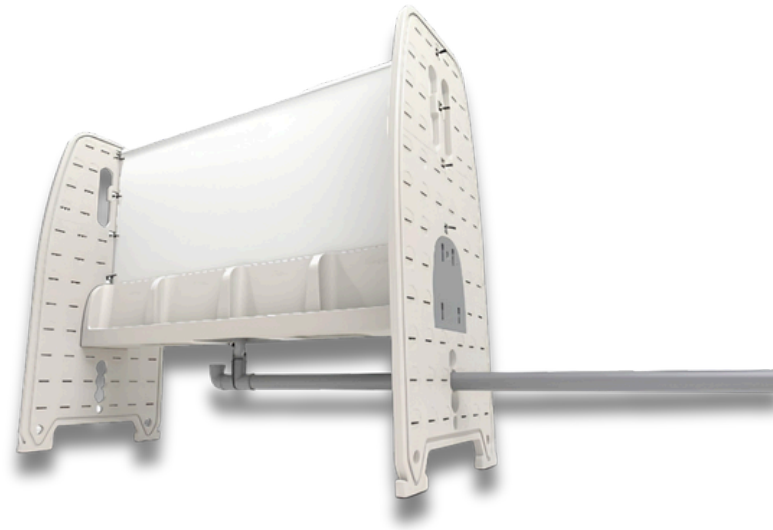

Accommodating up to 8 users at once, our 8 Bay Waterless Urinal is a high-capacity solution for festivals, sporting events and outdoor gatherings.

Its compact footprint helps reduce queues while minimising the number of portable toilets required on site. Perfect for large-scale events across the South of England.

The South's Leading Welfare and Sanitation Provider

"Everyone was blown away by how good the toilets were, if we ever throw another event similar to this I would definitely use your company again and would recommend you to others."
